

DOKTOR FAMILY MISSION

Spring 2019

Foreign Missionaries!

We are so excited to announce that the entire Doktor family - Matt, Kelly, Sadie, Sophie and Eva, are all becoming full-time foreign missionaries! We began discerning this call almost a year ago and really confirmed in a week-long mission trip we took to General Cepeda, Mexico this past Thanksgiving that we were called to preach the gospel and serve the poor. We feel so blessed and humbled that the Lord has called us!

We are currently in the process of selling our house and most everything in it and will be joining a company called Family Missions Company (FMC) at the end of the summer. For most of the Fall, we will be going through formation training and will find out during that time where we will be serving!

The need is great and, as such we are humbly asking you to please prayerfully consider partnering with us on our mission. We will certainly need your prayers and, in order to more fully respond to the Lord's call, will also need financial support. If you feel in your heart the Lord is calling you to help us provide alms for the poor, please visit our page below which has a link to donate. If you have any questions at all, please reach out to us anytime!

Thank you so much for considering joining our mission team. God bless you!

Family Missions Company

Donation Process

There are multiple ways to donate to the mission:

1. Online

You can go directly to our FMC bio page which is secure and has a place for donations.

<https://www.familymissionscompany.com/project/mkdoktor/>

The donations online can be made in multiple ways, either by credit card or by TeleChek.

Credit card pledges will require all the information you would expect for an online purchase. Note that the credit card processing company will charge us a 3% fee, which will come directly out of the donation.

TeleChek is another option that can be setup online and withdraws the donation directly from your bank account (via your bank account checking and routing number). The fee to us is only 25 cents regardless of the size of the donation so is definitely the best way to make the most out of the gift.

2. Give through the mail

You can send your gift by check or money order to the following address, but please make sure you include our name (Doktor Mission) on the memo line.

Family Missions Company

Catholic Missionaries bringing Jesus to the world

"No believer in Christ, no institution of the Church, can avoid this supreme duty: to proclaim Christ to all peoples."

- ST. JOHN PAUL II -

HELLO WE ARE FAMILY MISSIONS COMPANY

Family Missions Company, founded in 1997, is an apostolate of over 200 lay Catholic missionaries serving in 11 countries. Committed to the Great Commission of Jesus, we proclaim the Gospel and serve the poor worldwide and in our local community.

We focus on training, sending out, and sustaining families and singles as full-time missionaries who evangelize and provide humanitarian aid in some of the poorest communities around the world. We work under the blessing of our bishop in the Diocese of Lafayette, and at the invitation of the bishops in all areas we serve.

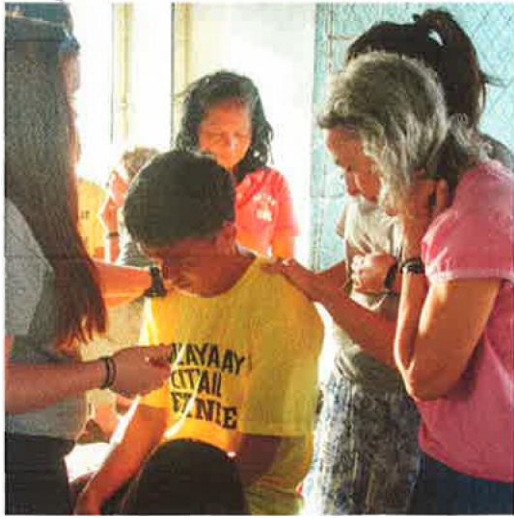

WE PREACH THE GOSPEL & SERVE THE POOR

EVANGELIZATION

- FMC's primary mission is evangelization: to lovingly share Christ's message of salvation, expecting nothing in return, while profoundly respecting the freedom and dignity of every person and culture. We do this through engagement and dialogue with those we serve. We live with them. We pray and study the Bible with them. We share Jesus with them and learn from them.

SERVICE

We faithfully work to meet the material needs of those we serve. Our ministries provide children, the elderly, the infirm, the imprisoned, the dispirited, and the unemployed with home visits, food, education services, building projects, and medical assistance.
