

January 12, 2021

As you are aware, St. Gregory the Great Parish and Faith community is dedicated to meeting the spiritual needs of our parishioners and the community at large while navigating our way through the regulations set forth by our state/local government.

St. Gregory the Great Parish Family Faith Formation is implementing measures to maintain the stability of our Faith-based programming, while ensuring the well-being of our staff, students, families and catechists. The current pandemic situation has impacted in many ways and will continue to impact the faith-community for the foreseeable future.

The FFF Board submitted a recommendation to the Pastor for our Spring programing. It was determined the best course of action would be to continue virtually. The Pastor has approved this recommendation. This was a difficult decision to make but after reviewing the pros and cons, we feel it is the safest decision for all parties involved.

What does this mean for your child(ren)?

We will continue to use google classroom as our main source of delivering content. Additionally, we hope to add liturgical components (Masses, prayer services, adoration) to bring the students together in a way that is safer for all involved.

We understand that this is not the ideal situation and we look forward to the time when we can once again be face to face. We thank you in advance for your understanding and support during these most challenging times. Please know of our continued prayers for you and your loved ones.

May Mother Mary watch over us all and St. Gregory the Great intercede for us.

Yours in Christ,
